610	290	440	230	500	920	1110	430	420	18
720	310	500	230	500	920	1110	430	420	19
790	350	550	230	500	920	1110	430	420	20

Deviations in sizes and weight (15 mm and 1,5 kg) are possible

## Double cross

This chair with double cross and fixed back can support a weight up to 150 kg when fitted with an anatomic seat and backrest (110 kg for the standard version).

Equipped with retractable and foldable footrests, desktype armrests that allow easy access to a table and comfortable long armrest padding.

**standard version**

## The wheelchair must be adapted to you, not vice versa

Our basic principle is: the wheelchair must be adapted to you, not vice versa. This is why our wheelchairs have a modular design.

All types of wheelchairs can be adapted, have numerous accessories and all options are mutually interchangeable. This is the result of our continuous research and more than 54 years of experience.

## Your guarantee of quality

Regarding quality, our wheelchairs comply with the highest norms, laid down by certified test institutes in most European countries
